

Clear Face Cleansing Bar

The effective bar for pimples: soap-free cleansing bar for blemished skin tending towards acne.

Product features:

- Effectively reduces pimples and blackheads in light forms of acne
- Mild pore-deep cleansing removes excess sebum
- Combats the proliferation of acne causing bacteria with the pH value of 5.5
- The natural moisturizing factors lecithin, vitamins and amino acids help rebalance the stressed skin
- Vitamin E scavenges free-radicals
- Skin-related squalane supports the maintenance of the skin's moisture balance
- No preservatives

Indications:

- Well suited for skin cleansing in mild forms of acne
- Major clinical study

Content: 100 g
